Title: Mark Otis Selby - Naked Sessions**Artist: MARK SELBY**

The blues highlight

Mark Otis Selby - A gifted musician and songwriter.

For his work as a songwriter, he won e.g. a Grammy Award (as an author for the Dixie Chicks).

4 of his songs made it to the top of the US Billboard charts, and countless others reached the top 40.

Mark Selby is the ultimate synonym for down-to-earth blues-rock as well as for creative songwriting.

Tragically, he died of cancer on September 18, 2017. But his music lives on!

Shortly before his death he recorded the „Naked Sessions“.

Raw, live, honest and unfiltered! Only Mark Selby and his guitar!

„As a singer / songwriter, Mark Selby's in the same league as Bruce Springsteen, with meaty words, a compelling voice, and tracks that have more groove than a vintage vinyl record.“ American songwriter

„An electrifying performer.“ Blues Revue

His sophomore cd, Dirt, indicates that album was no fluke. No need for bells and whistles here-the music does the talking. „Rolling Stone

„Simply put, 11 tracks of the best rock and roll we'll hear this year.“ Vintage Guitar

Title: **Alte Rezepte**
 Artist: **BERND WITTHÜSER**

The songwriter Bernd Witthüser celebrated his greatest successes together with his congenial partner Walter Westrupp.

Between 1969 and 1973, the duo „Witthüser & Westrupp“ recorded several albums that were milestones in the musical landscape of the time.

After the end of „Witthüser & Westrupp“ Bernd Witthüser lived in Italy for a long time. Being a street musician there shaped his artistic work.

After this period his next regular release was only in 1985. The album „Alte Rezepte“ is another masterpiece of the 1944 Sauerland-born musician.

As a tribute to him being deceased in 2017, ZYX now releases the album on CD and on vinyl for all fans and record friends.

Title: **Greatest Bluesman Ever**

Artist: **ROBERT JOHNSON**

Robert Johnson, the „King of the Delta Blues“, influenced his fellow musicians with his extraordinary guitar playing already during his lifetime. The singer and songwriter is considered to be one of the most famous artists in the history of blues. That’s proven by the fact that he was inducted into the Blues Hall Of Fame, and is even being ranked No. 5 of the 100 greatest guitarists of all time by the Rolling Stone magazine.

With „Greatest Bluesman Ever,“ a Best Of dedicated to this great musician will be released.
