Title: **Live in Germany 1984**
Artist: **NIK KERSHAW**

In 1983 Nik Kershaw released his first single „I Won't Let The Sun Go Down On Me“.

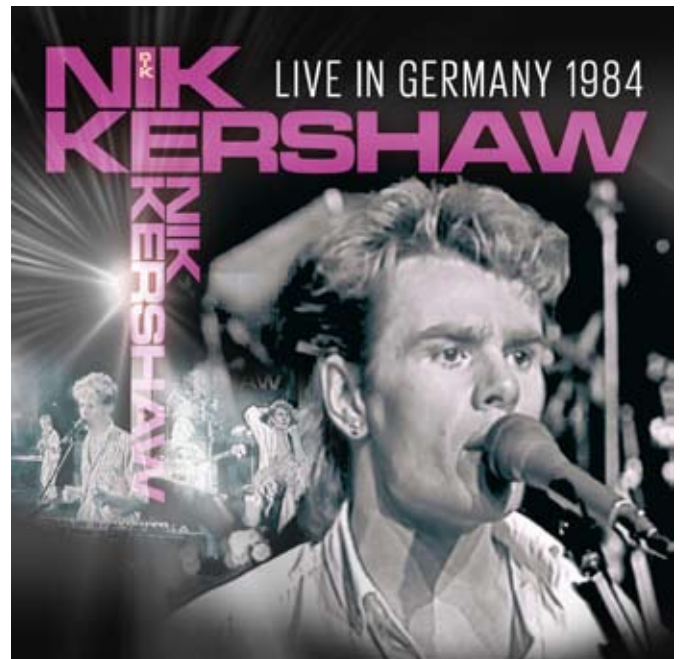

It became an international hit that is still played by radio stations worldwide, today.

In 1984, his album „Human Racing“ made into the top ten of the European charts and remained there for several weeks. Hits such as „Wouldn't It Be Good,“ „The Riddle,“ and a performance at the Live Aid concert in London's Wembley Stadium completed the success story of the English singer-songwriter.
