Title: **In The Moment**Artist: **PAT BIANCHI**

Capable of everything from vibrato-laden intimate murmurings to sermonizing at a roaring volume, the jazz organ can sometimes be strangely dispiriting - like being stuck at a bar with a non-stop talker. PAT BIANCHI will have none of that, eschewing all the clichés and displaying the instrument's versatility with a setlist that ranges from Chick Corea to Patsy Cline to Monk and Billy Eckstine. For this, Bianchi's first recording on Savant, the leader has brought along a number of friends and colleagues including PAT MARTINO, JOE LOCKE, CARMEN INTORRE, JR. the late, lamented KEVIN MAHOGANY and others making for an extra-special debut recording.

Title: **Montreal Memories**
Artist: **FRANK MORGAN & GEORGE CABLES**

Jazz duo recordings can provide an exceedingly wide range of musical expression including but not limited to, profundity, humor, tenderness, introspection, exuberance and a whole host of others which can all change at the drop of a flatted-fifth. This type of mercurial interplay is on full display on this live gig from the Théâtre Port-Royal in Montreal, Canada. Morgan and Cables played together frequently and their improvising is imbued with an almost telepathic communication. Cables' large piano tone is the perfect accompaniment to Morgan's slightly dry, Bird-like sound. At the same time, their spontaneity and sheer joy of music making succeeds in even making the chestnut "All the Things You Are" sound fresh and newly wrought.

TRACKLISTING:

1. Now's the Time
2. All the Things You Are
3. A Night in Tunisia
4. Round Midnight
5. Confirmation
6. Blues for Rosalinda
7. Helen's Song

Title: **Live in Nova Scotia**
 Artist: **JOHN CAMPBELLJOHN**

Enjoy John Campbelljohn, Canada's No. 1 blues man, live at his home town Halifax.

The pure authentic blues feeling can be especially felt in this intimate live session where the interactions of the co-musicians are building up great energy.

His guitar playing is direct and admirably clear! It is not without reason that the Rolling Stone calls the slide-guitar player a fascinating artist.

„The string magic of the front man fascinates!“ Rolling Stone
