Title: **80s Techno Tracks Vol.2**

Artist: **VARIOUS**

Hörprobe: <http://bit.ly/37Mffh>

Techno music originated in the late 1980s when more and more DJs started playing harder beats to set dance floors on fire, e.g. in the legendary Dorian Gray at Frankfurt airport. Volume 2 of this compilation series again proudly presents selected techno tracks from the 80s, being partially released on CD for the first time.

The CD revives the beginning of the Frankfurt techno scene and takes you to the roots of techno.
