Title: **Heavy Metal Adventure**
 Artist: **LEGENDRY**

Hörprobe: <https://bit.ly/334lnY6>

Legendry
 „Heavy Metal Adventure“

The number of first-class newcomer bands from the USA playing traditional heavy metal has increased in recent years. This has made the scene even more exciting than it already was.

Legendry and their first two albums remained an insider tip, but mainly because the CDs were hard to get. With their third album „The Wizard And The Tower Keep“ things changed and the trio played their way into the hearts of Epic Metal fans. Fantastic reviews as well as vinyl re-releases of the first two albums followed.

As a valuable bridging to the next studio album Legendry recorded an exciting EP with three cover versions (including „Metal“ by Manilla Road) and a new, own song (the title track „Heavy Metal Adventure“), which also visually fits into the concept of the three predecessors. The CD version was also enriched with early demo recordings of the band.

If you like Epic Metal, you have to get to know „Heavy Metal Adventure“!

Risingfall

„Arise From The Ashes - The EP & Singles Collection“

Heavy Metal made in Japan - what still seems exotic to some fans today is rather a sign of quality for insiders. Already in the seventies bands like Earthshaker, Bow Wow or 44 Magnum were active. In the eighties Loudness or Outrage enriched the scene. Besides internationally famous modern bands, there is still a lively underground scene today, which is completely dedicated to traditional heavy metal and still strongly influenced by the NWOBHM.

Risingfall from Tokyo spearheaded this movement and have released five EPs/Singles since their foundation in 2013. The quintet's songs (all members are in their mid-twenties) radiate a youthful energy that is immediately captivating. Nevertheless, the EPs/Singles recorded in a do-it-yourself manner are highly professional and much more interesting than some acts from Europe or the USA. Based on the well-known LP by Loudness, one can confidently say: There's a new thunder in the East!
